The claim for the extra grant for men who have qualified in musketry will be made on 1st October, and will be supported by a certified statement showing the names of the men, and the troops to which they belong.

20. If a Yeoman fail for two consecutive years to pass out of the 3rd class in the annual musketry course, he will be struck off the strength of the force. In very exceptional cases, where the failure to do this is due to causes which could not be foreseen, the operation of this rule may be suspended, but only on the special authority of the Secretary of State.

21. If a Yeomanry regiment passes three consecutive years without going into brigade camp, no contingent allowance will be granted to it for the last of those years, except under the most special circumstances, when the case must be submitted through General Officers Commanding Districts for the consideration and decision of the Secretary of State.

Musketry Pay.

22. One day's pay, at the rate of 3*s.* 6*d.*, in aid of expenses and loss of time in attending at the ranges, will be allowed annually for each non-commissioned officer, trumpeter, and private who attends the musketry course and passes out of the 3rd class.

Instruction of Yeomanry Sergeants.

23. One Yeomanry sergeant per squadron will be allowed to be attached to a Cavalry regiment stationed in the district, or to the School of Instruction at Aldershot, in order to qualify as Assistant Instructor under the Permanent Staff Sergeant. When thus attending he will be entitled to the regulated travelling expenses for the journey to and fro, to pay at the rate of 3*s.* 6*d.* a-day (including the days of coming and going), and to rations.

A certificate of qualification to act as instructor is given in Appendix B, page 206.

Squadron Pay.

24. The pay of 2*s.* a-day allowed for Permanent Staff-Sergeants in charge of squadrons will be discontinued, and paras. 180 and 209 (i) of the Yeomanry Regulations will be cancelled accordingly.

25. The foregoing changes will be duly embodied in the next revise of the Yeomanry Regulations, 1890.

TO MILITARY MEN & OTHERS.

S. & H. HARRIS'S MILITARY WATERPROOF POUCH BLACKING.

This Blacking is much used and highly esteemed for cleaning Pouches, Bags, Straps, &c., as it is perfectly Waterproof. Any article after having had a few applications and exposed to the heaviest rains will not be affected so much as even to soil the hands or gloves. The article after being exposed to wet and dirt for many hours, requires only to be sponged or wiped clean, rubbed dry with a soft cloth, and the beauty of the article will be restored without any fresh application of the Blacking, or more than one minute's attention; after five or six applications it will be found that the Blacking will only have to be used occasionally, as a mere rub (daily) with a cloth or old silk handkerchief will renew the polish for some time. This Blacking will be found equally useful for Trunks, or any other black leather article.

Sold by all Saddlers, Grocers, and Oilmen.

Subscriptions and donations in support of the Charity will be thankfully received by Messrs. Cox & Co., Charing Cross, London, S.W.; by the Secretary, C. R. Low, Esq., to whom crossed cheques and Postal Orders on the Charing Cross Post Office should be made payable; or by the Matron, Miss K. Bartlett, at the Home at Hampstead.

The Home was constructed and is equipped for 200 girls, but some beds are now necessarily empty from want of funds.

The need of such an institution is apparent from the fact that there are on an average four candidates brought forward at each election to every one admitted.

The Committee earnestly appeal to a generous public to aid them in the support of the Charity. They also ask for the co-operation in the good work of every Regiment and Corps.

A contribution of but 6*d.* a year from each Non-commissioned Officer and Man throughout the Service would provide for the support of a child from every Regiment.

The Home is open to visitors daily between 10 and 5, except on Saturdays and Sundays.

The Committee invite the inspection of all friends of the Soldier.

3. The paragraphs in these Regulations which relate to engagement for Section D of the 1st Class Army Reserve are inoperative for the present, as recruiting for that section is temporarily suspended.

4. The following regulations are hereby cancelled:—

Army Orders 88 (and the regulations issued therewith), 191, 377, 410, and 484 of 1889; 94, 95, 183, 264, 265 and 266 († 2) of 1890.

SAVINGS' BANK REGULATIONS.

A.O. 30.—

In future, all Savings' Bank deposits received during the month of March in any year are to be credited in the Pay List of that month; and the under-mentioned alterations will accordingly be made in the regulations for Military Savings' Banks, issued with Army Circulars, dated 1st March, 1883:—

1. The following will be substituted for paras. 52 and 53:—

52. The Officer in command, the Officer second in command, and the Adjutant will be responsible for the correctness of the Savings' Bank Ledger, which will be prepared in the orderly room by the Savings' Bank clerk, under the direction of those Officers, from the forms (No. 2) transmitted by the Captains. These forms, after being entered and certified, will, in all cases, be forwarded, immediately after the day of monthly settlement, to the Paymaster, to be annexed as vouchers to the general state of his account. In cases where, from some unavoidable cause, the men's receipts have not been obtained in support of withdrawals, a certificate by the Officer Commanding will be annexed stating that the men have received the amounts stated against their names. All deposits made in the month of March will be shown on the form (No. 2) for that month. Deposits which are made in March will not bear interest until 1st April, but will be shown separately in the man's account in the Savings' Bank Ledger underneath the entries for deposits bearing interest from the "1st March," and will be included in the total balance remaining to the credit of the man on the 31st March. Care will be taken that the number or letter of each troop or company is distinctly stated on the face of the form. When neither deposits nor withdrawals have taken place within the month a blank form (No. 2) for such month will not be required.

53. The responsibility of the Paymaster with respect to the Savings' Bank will be limited to the following points:—He will see that the respective Captains debit and credit themselves in their Monthly Pay Lists with such sums as are shown by the forms (No. 2), transmitted to him from the orderly room, to have been deposited and withdrawn. He will insert in his current Pay List, under the proper head in the "general state," the total amount of deposits and the total amount of the withdrawals in each month, as shown by the above-mentioned monthly forms, which will be annexed as vouchers to his accounts. He will take care that the balances of deposits reported to be due to deceased men, deserters, and men discharged as lunatics are carried to their non-effective accounts, and that the certificate regarding the balance in the Savings' Bank has been completed in each non-effective account.

2. Paras. 54, 60, and 61 are cancelled.

The actual and necessary travelling expenses incurred by the non-commissioned officers and men on leaving the school, will be paid on a certificate from the Commandant, or the Commanding Royal Engineer, that they have been punctual and attentive. TO MILITARY MEN & OTHERS.

S. & H. HARRIS'S MILITARY WATERPROOF POUCH BLACKING.

This Blacking is much used and highly esteemed for cleaning Pouches, Bags, Straps, &c., as it is perfectly Waterproof. Any article after having had a few applications and exposed to the heaviest rains will not be affected so much as even to soil the hands or gloves. The article after being exposed to wet and dirt for many hours, requires only to be sponged or wiped clean, rubbed dry with a soft cloth, and the beauty of the article will be restored without any fresh application of the Blacking, or more than one minute's attention; after five or six applications it will be found that the Blacking will only have to be used occasionally, as a mere rub (daily) with a cloth or old silk handkerchief will renew the polish for some time. This Blacking will be found equally useful for Trunks, or any other black leather article.

Sold by all Saddlers, Grocers, and Oilmen.

Subscriptions and donations in support of the Charity will be thankfully received by Messrs. Cox & Co., Charing Cross, London, S.W.; by the Secretary, C. R. Low, Esq., to whom crossed cheques and Postal Orders on the Charing Cross Post Office should be made payable; or by the Matron, Miss K. Bartlett, at the Home at Hampstead.

The Home was constructed and is equipped for 200 girls, but some beds are now necessarily empty from want of funds.

The need of such an institution is apparent from the fact that there are on an average four candidates brought forward at each election to every one admitted.

The Committee earnestly appeal to a generous public to aid them in the support of the Charity. They also ask for the co-operation in the good work of every Regiment and Corps.

A contribution of but 6d. a year from each Non-commissioned Officer and Man throughout the Service would provide for the support of a child from every Regiment.

The Home is open to visitors daily between 10 and 5, except on Saturdays and Sundays.

The Committee invite the inspection of all friends of the Soldier.

TESTIMONIALS.

G. A. GRANT, Esq., of Craufurdland Castle, Kilmarnock, N.B., writing 30th June 1890, says:—

"The 'EUOPLIA' Gun I got from you to take out to India, I found an excellent Shot gun, and very accurate and handy as a rifle. I always used it in preference to an Express when walking up a wounded tiger."

LORENZO HENRY, Esq., Kylemore Castle, co. Galway, Ireland, writing on September 10th, 1890, says:—

"The 'EUOPLIA' I got from you has been most useful to me; the smashing power of the bullet being tremendous; I shot several Alligators in Florida with it."

J. WALKER CLYDESDALE, Esq., of 4, New Square, Lincoln's Inn, writing December 10th, 1890, says:—

"Having used the 'EUOPLIA' in Paraguay, S. America, I have much pleasure in stating I have formed a very high opinion of the weapon as a ball gun; it is a most deadly weapon. I have seen what it can do on Crocodiles and Elk. As a shot gun I have not seen one I prefer before it. It is the very thing required by sportsmen in South America."

"TOOLJERAM," in writing to the "Field" on "Tiger Shooting in Southern India," August 30th, 1890, says:

"I used either an 'Express' or a similar gun to the 'Paradox,' called the 'EUOPLIA,' made by BLAND, known in our camp as the eye-opener."
